## Mullen Circle Brand, Inc.

**Mullen Circle Brand** was founded in 1912 and continues to provide the highest quality Industrial Lubricants, Metalworking Fluids, Rust Preventives and Cleaners to industry. As you peruse our site, there are two product families of special interest.

**Circle Cut #729** continues to be the predominant sulfur and chlorine free neat cutting oil available today. This technology was expanded into the **Circle Draw #729** family of neat oils for all metalforming operations. Light color, Low odor, superior lubricity.

**Shurcool #800 Bio-Stable Semi-Synthetic Coolants** offer the lubricity of oil, the cooling of water and unmatched coolant longevity. Light, medium and heavy duty coolants with and without chlorine.

Mullen Circle Brand also offers a number of services to our customers:

*Product Consolidation  
Assistance With Regulations  
Waste Oil/Coolant Pickup*

*Small Packaging  
Customer formulating  
Toll Blending*

*Problem Solving  
Oil Analysis  
Distributor Of Oil Dispensing Equipment*

As your partner in helping to manage your lubricant and coolants, **Mullen Circle Brand** will always be accessible and willing to listen to your needs. If we cannot supply what you need. We will recommend a supplier. Yes, just like Kris Kringle in *Miracle On 34th Street*.

Click on the pages to the left to find out more about our various product lines. These represent the most popular products, but we can very easily customize any of these products to fit your needs. We are going to make it anyway, so we might as well make it exactly how you want it.
