

MULLEN CIRCLE BRAND

WC GRINDING OILS *Carbide & HSS*

**Mullen
Circle Brand
Blended Products:**

*Cutting Oils
Circle Cut #729
Soluble Oils
Synthetic Coolants*

*Semi-Synthetic Coolants
Rust Preventives
Cleaners
Grease*

*Hydraulic Oil
Compressor Oil
Gear Oil
Way Oil*

*Spindle Oil
Machine Oil
Synthetic Oil*

Made In U.S.A.

Grinding Oils For the Finest Finishes Carbide & HSS

WC Grinding Oils are petroleum & synthetic fluids designed to provide the finest finishes while maximizing cleanliness, cooling and flushing properties.

WC Grinding Oils exhibit light color and low odor, while foaming far less than conventional fluids. These powerful fluids are inhibited against cobalt leaching and are free of chlorine and other heavy metals. Of course, **WC Grinding Oils** are multi-metal safe.

WC Grinding Oils are designed for long term use in single machines or central systems. Containing the latest development in oxidation inhibitors, these fluids resist oxidative breakdown exceptionally well. Edge type filtration efficiency is optimized by the extremely narrow molecular weight distribution of the underlying fluid.

Most Popular Product -> WC-1606 Grinding Oil
