All Purpose Water Soluble Oils Lowest Irritation Risk

#1500 Soluble Oils include four products covering applications from grinding to heavy duty machining.

#1500 Soluble Oils emulsify to form a pristine white emulsion upon addition to water. Typical treat rates are 5-10% for machining and 2-5% for grinding. Rust Protection and detergency are outstanding to keep parts and machinery clean.

#1500 Soluble Oils are multi-metal safe, ph balanced to minimize irritation risk and contain state of the art biocides to bacterial at bay.

Most Popular Product -> #1594B Soluble Oil
